- Please keep one half of this sheet for your records at home, and send one with your camper in his or her trunk or suitcase. It will be an easy way for your camper to ensure that they bring home all the items they came to camp with.
- The following items will not be allowed at Camp Weaver: knives, firearms, water guns, fireworks, cell phones, CD players, ipods, pokemon cards/trading cards, jewelry. Please make sure that all items sent to camp are free of offensive logos, illegal substances or inappropriate subjects.
- All clothing and personal items should be marked with your child's name. Name tape and clothing stamps can be bought online through the Sterling Name Tape Company at www.sterlingtape.com, or by calling them directly at 1-800-654-5210.
- Do not send expensive or favorite clothing to camp. We prefer play clothes because there are activities at camp where items could be stained. If your camper will be participating in our horseback riding activities long pants and boots are required. Duck or gum boots are adequate for horse riding as they provide both heel and full foot coverage.
